

FARRELL WILL OPERATE LEASE AT ROUND MOUNTAIN

SECURED VALUABLE BLOCK FROM THE SOLID GOLD MINING CO.

P. H. Farrell, of Tonopah, who has for several months past been operating at Round Mountain, will return to the hydraulic camp on Sunday and will start active development work on the leases in which he is interested. Farrell, who is an experienced mining man, has been very successful in his ventures in the northern camp and from the first day that he took hold of the properties they have become producers on a scale that opened the eyes of the old-timers in the town. Those who are aware of the difficulties in locating pay shoots in the camp have been surprised that an outsider just coming in that town could locate these bonanzas with so little trouble.

It is Farrell's intention to sink on the ledge he has uncovered to a depth of one hundred feet before cross cutting. The ore so far exposed will plate about twenty-six dollars a ton exclusive of the high grade streaks which are too rich to give any figures on, it being of such a character as to be suitable for jewelry, and this does not include the placer ground which has yielded many nuggets of which were more than three-quarters gold. Farrell has made a year's contract with the Solid Gold Mining company at a figure which will enable him to handle some of the lower grade ore at a nice profit.

TWO MATTERS BROUGHT BEFORE DISTRICT COURT

ESTATE HEARING SHOWS ADMINISTRATOR ABSCONDED WITH ABOUT \$3,000.

A hearing in the estate of Stewart Bernie, was called yesterday morning in the district court before Judge Averill, and evidence was given for the purpose of enabling an accounting to be had of the moneys that came into the possession of the former administrator, William Enger. Enger, it will be remembered absconded with the funds, and failed to make any kind of a settlement. His place was taken by the public administrator. The accounting is not complete as yet, but it shows the amount of money to have been in Enger's possession to be about \$3,000.

In the afternoon the case of the Tonopah Lumber company versus J. B. Murphy was called and submitted upon an agreed statement of account, this statement having been checked over by the court and compared with the original demand. It was finally approved for the sum of \$419.87, for which sum judgment was given in favor of the plaintiff.

COUNTY CLERK IS EXPERIENCING BUSY SESSION

LARGE AMOUNT OF WORK IS CAUSED BY THE NEW ELECTION LAW.

For the past month the office of County Clerk Robert G. Pohl has been the busiest place in town, and the rush of business gives promise of continuing good until the general election is over. Both Mr. Pohl and his deputy, Lowell Daniels are working overtime and at the conclusion of the day's labors the work is up to date. The public has but a faint idea of the work resulting from the new primary law and everything has to be better perfect when it is carried out.

The busiest season will be when the office sends out the primary ballots to the different precincts. Complete election supplies are also forwarded from the clerk's office and each article has to be checked over carefully. The ballots are numbered and after the election an accounting has to be made for every one printed.

Bob Pohl is deserving of credit for the manner in which he is looking after the office for it is by his untiring efforts that a congestion has been avoided. He is the right man in the right place.

BUTCHERS AT T.-G. MARKET IN HARD LUCK

TWO MEAT CUTTERS ARE INJURED WHEN KNIVES SLIP.

Of all the hard luck that have been narrated in Tonopah, the climax happened yesterday with the scene of action laid at the Tonopah and Goldfield meat market with Manager W. H. Thomas, Frank Tulley and Frank Hill as the star actors.

Yesterday morning Thomas felt indisposed and telephoned to the shop that he would not be down. This left the force somewhat short-handed. During the morning, Tulley, while wrestling with a quarter of beef, let it fall. The quarter struck a knife which bounded upwards and the blade struck him on the arm, inflicting quite a wound. Hill then was pressed into service at the cutter's block and ended the day's misfortunes by letting a knife slip and cutting three of his fingers. The knife blade traveled clear to the bone and inflicted a severe gash. Outside of the above incidents everything went along smoothly at the shop.

FUNERAL OF PETTY.
The funeral of Charles Petty took place at the state prison yesterday, the body being placed in the prison cemetery. Petty's relatives in the east notified Warden Maxwell to give Petty a decent burial but made no arrangements for the carrying out of the same so he was given the usual prison burial.

WINGFIELD IS RECOVERING FROM HIS ILLNESS

DENIAL IS MADE TO THE RUMOR THAT MINING MAN HAD PASSED AWAY.

There was a persistent rumor in circulation yesterday to the effect that George Wingfield had passed away in San Francisco. However, the report was greatly exaggerated, for it was learned that Mr. Wingfield was fast recovering from his recent illness. He has been confined to his apartments at the St. Francis hotel in San Francisco, but has recovered to such an extent that he is able to take care of his correspondence. Two letters were received in Goldfield, both of which were in his own hand writing and in addition a telegram was also received.

EVERY FILM AT BUTLER THEATRE IS A FEATURE

LOCAL PLAYHOUSE HAS AN EXCEPTIONALLY INTERESTING PROGRAM TODAY.

The Butler theater program last evening was up to the usual high class standard and pleased everyone.

The program for today includes a Vitagraph drama, "Saved by the Flag," portraying a southern planter who becomes incensed at the plantation foreman and discharges him. The foreman in a spirit of revenge causes his employer serious trouble and succeeds in having a mob take him out to be hanged, when a detachment of soldiers arrive with the American flag and save the life of the planter. "Wilson's Wife's Countenance," is a comedy. "Does Nephew Get the Cash?" represents the peculiar method endorsed by uncle to see if his nephew is worthy of his inheritance. "A Child's Impulse" is one of those feature Biograph dramas, showing the helpful results of a little child in "pouring oil on troubled waters."
